# Translucent Food Pans

The smart choice for all your food storage, prep and transport needs. Affordable Translucent Food Pans are made from FDA-approved polypropylene, a BPA-free material, which withstands temperatures from -40° to 160°F (-40° to 70°C). Nonstick, smooth interior surface provides easy cleaning and high yields, while nicely interstacking to save space. Ideal for use in the kitchen, on food bars and for transporting bulk food off premises. Not designed for steam table use.

## Extend the Shelf Life of Produce 2 to 3 Days with Use of Seal Cover
